TRY A FESTIVE OMBRE NAIL LOOK

AMY WITH CARLY

Prep nails and apply two coats of **Amy** (make sure to seal the free edge*). Lightly swipe **Carly** halfway up your nail from the base of nail towards the tip. Apply second coat of **Carly** to base of nail. Apply a topcoat for shine and durability.

PIPPA WITH VIVIEN

Prep nails and apply two coats of **Pippa** (make sure to seal the free edge*). Lightly swipe **Vivien** halfway down nail from the tip of nail towards the base. Apply second coat of **Vivien** to tip of nail. Apply topcoat for shine and durability.

COLBIE WITH BARBARA

Prep nails and apply two coats of **Colbie** to bottom half of nail. Apply two coats of **Barbara** to top half of nail, overlapping **Colbie** and blending. Apply topcoat for shine and durability.

**The free edge is the part of the nail that's been clipped or filed. Sealing the free edge can help double the life of your mani, protecting your nails from water damage that will cause polish to chip.*

DEAR SEPHORA CAST,

The holiday season is my favorite time of year. It's all about giving, connecting with people we love, and slowing down long enough to say thank you.

I love that even the hardest working of us takes a little time to get glamorous for a festive night out or to get cozy with family and friends. No matter how you celebrate the season, Julep's festive new glitters are such a fun way to help you shine.

I hope you get the chance to share all of your wonderful gifts this season—and THANK YOU for being part of our Julep family during the holidays and all year through.

SHINE ON,

Jane Park, CEO/Founder
